ABOUT ME

Innovative tech enthusiast with a strong foundation in programming and a passion for building impactful projects. Skilled in problem-solving, quick to learn and adapt to new technologies, and driven by curiosity to explore and develop cutting-edge solutions. Excels in dynamic environments that encourage creativity, learning, and hands-on development.

EDUCATION

2022 – 2026

CGPA : 9.32

Vasavi College Of Engineering

Bachelor of Engineering (B.E) in Computer Science and Engineering.

2020 – 2022

Aggregate: 98%

Alphores Junior College

Higher education in MPC.

2019 – 2020

CGPA : 10

OXFORD HIGH SCHOOL

Secondary education.

PROJECTS

CHAT-HUB

- **Tools:** *HTML, CSS, JavaScript, Python, Flask APIs, WebSockets*
Developed and deployed a chat application with secure authentication and real-time messaging using WebSockets. Enabled seamless communication with cloud-based chat history storage.
- Source code: "github.com/manisaill/Chat_hub" Live demo: "chathub-nco4.onrender.com".

PERSONALIZED MUSIC PLAYLIST VIA DEEP LEARNING EMOTION DETECTION

- **Technologies & Components:** *Python, OpenCV, TensorFlow, Flask, Keras, Music Library*
Developed a facial emotion-based music recommender system using deep learning. Captures real-time video, detects emotions via a CNN model, and plays songs matching the user's mood from a categorized library.
- Source code: "github.com/manisaill/music_ml"

ATTENDANCE ASSISTANT

- **Tools:** *HTML, CSS, JavaScript, Python, Flask APIs, Git, GitHub*
Built a web-based system to monitor and analyze student attendance with secure role-based login, digital attendance marking, automated percentage calculation, and report generation.
- Source code: "<https://github.com/manisaill/Attendance-assistant>"

SKILLS

- | | |
|---|--|
| <ul style="list-style-type: none">• Programming languages: C, Python, Java, MySQL(Database)• Web Technologies: HTML, CSS, Flask API, WebSockets.• Core concepts: OOP, DBMS, Computer Networks• Technologies: Git, GitHub, VS Code. | Soft skills: <ul style="list-style-type: none">• Quick Learner• Communication• Adaptability |
|---|--|

CERTIFICATIONS AND ACHIEVEMENTS

- NPTEL certification- Joy of computing using Python, Problem solving through C.
- Introduction to Artificial Intelligence course by Infosys Springboard
- Top 2% scorer with 92% in Joy of Computing Using Python, certified by NPTEL.
- Secured 1st place in "Bid n Code" coding event during CS Fest ACUMEN 2K25, organized by the Department of CSE, Vasavi College of Engineering.
